

Pippa's Guardians Statement of Aims, Principles and Practice

Pippa's Guardians aims to be the premier provider of Educational Guardianship in the UK.

The purpose of Pippa's Guardians is to provide a safe, caring and supporting environment for the students that we look after and their parents whilst working closely with our partner schools and host families.

Pippa's Guardians will be professional and courteous at all times and take a genuine interest in the well-being of the students that we look after.

Through regular communication and student visits we will ensure that at all times we will offer a personal, caring and compassionate service and we will care for our students as we would our own children.
